GENUINE JOHANN HOFF'S MALT EXTRACT.

THE BEST NUTRITIVE TONIC FOR Impaired Digestion, Malnutrition, in Convalescence, Pulmonary and Throat Diseases.

A SOVEREIGN REMEDY FOR THE WEAK AND DEBILITATED Indorsed by all Physicians throughout the Civilized World.

PROF. PIETRA SANTA OF PARIS. The world-renowned specialist on pulmonary diseases, in his work published in Paris, speaks of the JOHANN HOFF'S MALT EXTRACT as follows: "I can highly recommend this pleasant remedy in restoring weakened digestion. At a large number of patients lack the necessary power to digest solid food, and would, through the use of stimulants be merely excited and weakened, therefore I regard it of immense value to the practitioner to bring to his aid a pleasant, healthy, like the GENUINE JOHANN HOFF'S MALT EXTRACT, which will act not only as a tonic, but as a nutritive as well, and which is less exciting than wine as a stimulant."

JOHANN HOFF, BERLIN, PARIS, VIENNA. NEW YORK, No. 6 BARCLAY STREET. Beware of fraudulent imitations. The GENUINE has the signature of "Johann Hoff" on the neck, and comes in flat, square bottles with a German label thereon.

QUICK WORK.
How President Barillas Put Down Vice-President Costenada's Resolution.
CHICAGO, Ill., May 24.—James Simmons, Consul Agent of the United States at San Jose, the Pacific port of entry for Guatemala, is in the city bound for Washington. He said: "President Barillas has adopted the policy of banishing all persons who are active persons. Three months ago the Vice-President, Vincent Costenada, proposed to the commander of an important district to surrender the fortress and garrison and lead a revolution. The commander agreed, and when Costenada and eight of his officers led a battalion into the department the commander banished them. President Barillas telegraphed to the Capital. Costenada was a friend of the President, but the latter ordered him shot and in fifteen minutes after the order had been received Costenada and his friends were dead. A short time ago I rode on horseback from the Pacific to the Atlantic, a ten days' journey, entirely unaccompanied, and I saw a great field in Guatemala for American products, and I am confident that if the trade is monopolized by the English and Germans, Americans are welcomed by the Guatemalan Government."

BLAINE'S STRENGTH.
IT ONLY SHOWS THAT HE HAS NOT LOST HIS PARTY POPULARITY.

What the Maine Man's Supporters Ought to See From the Sherman Standpoint—The Ohio Favorite's Friends Confident—Gov. Alger's Plans—The Illinois Democrat—Chas. H. Wacker Not After Office.

By Telegram to the Post-Dispatch.
NEW YORK, May 24.—The strength of Mr. Blaine's strength, recently published in the World, has set many of the politicians to thinking. Col. Wilson Vance of Ohio, however, is a Sherman man who sees no particular significance in it. "Admitting the table to be accurate," he said yesterday at the Fifth Avenue Hotel, "it does not signify that Blaine has not lost his popularity in the Republican party. That we are all willing to admit. Mr. Blaine is just as popular with the masses of his party to-day as he was in 1884. No one will be foolish enough to attempt to deny that. Had Mr. Blaine remained in the field nothing could have prevented his nomination. While Mr. Blaine is as popular every Republican will be glad and proud to support him. They have it in their power to make a harmonious or inharmonious party as they see fit. They will take the latter course. If they do not see things in their true light now, they will see them before the election. As to Mr. Sherman's chances, I believe the good will of the Republican friends is fair play. The nominee of the Chicago Convention will receive as cordial support from Mr. Sherman and his friends as from any other source, whoever he may be."

Gen. Alger's Plans.
By Telegram to the Post-Dispatch.
NEW YORK, May 24.—Gen. R. A. Alger went home to Michigan last night, but he has left his lieutenants on this pivotal spot in the political contest. He has displayed while here an appreciation of the similarity between the clash of soldiers and the clash of voters, which may go far toward giving him future prominence in the party contest. Whatever this year may hold in store for him, he regards New York, the home of the Republican party, as the place to fight, and like a wise commander believes that the soldiers in the center should be strong enough to take care of themselves. He is, of course, anxious to have that leadership entrusted to himself, and is frank in saying that he will not cry over it if the choice falls elsewhere.
